Compass Aging is a Senior Life Planning Resource for Families

You want to be there for them as they were for you.

Their health, safety and quality of life are now your top priorities — ours too. When it's your turn to care, you can count on us. We're here to help you get a plan underway, care under control, and life on track.

Eldercare made brilliantly simple. See how we do it.

Get it together — Everyone and everything related to eldercare

Organize and simplify the family's care effort. Set up a private and secure personal Care Safe™ to store and manage care plans, to-do lists and other important care documents. Invite family and friends to join in. We're sure you'd be grateful for some helping hands.

With Free Access to Your CareSafe, You Can:

- Save and share care plans with family
- Create and manage to-do and task lists
- Set timely reminders to stick with the plan
- Secure important senior-life documents
- Keep track of your senior housing search
- Invite others to assist with the plan

Remove the obstacles to aging gracefully

Solve a crisis, or avoid one by planning ahead. Our system helps with both. Think of us as an eldercare coach on call — whenever you need us. It takes less than 30 seconds to get started.

Start building your plan »

Find a senior community to call home

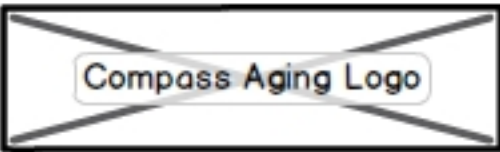

When their health and safety depend on it, consider a move. With thousands of communities to choose from, they're certain to find the care they need, and even a few friends among the neighbors.

Find Housing »

Hire local businesses your family can trust

Put your worries aside and place your confidence in us. Businesses have to clear a high bar to make our short list. We verify and vet them to ensure you are protected and satisfied. Take comfort in knowing best-in-class help is on the way.

Compass Aging Services is a Senior Life Planning Resource for Families. Compass Aging Services is not a licensed health care provider. We deliver great value but it's intended for general informational purposes only. If you require legal, financial, or medical advice, diagnosis or treatment, we suggest you contact a qualified professional in the field.
